- Cultural Diversity 24

Case in Point: McDonald's Corporation: Ronald Goes to France 25

- Measuring Gross National Product, Gross National Income, and Gross Domestic Product 26
- Business Cycles 29

The Digital Era 29

- E-Business 29

Careers in Business 32

Summary 33 ■ Chapter Questions 36 ■ Interpreting Business News 37 ■
Web Assignments 37 ■ Portfolio Projects 37 ■ Test Prepper 39

Appendix 41

Purchasing Power Parity 41
Impact of IT on Globalization, Culture, Society, and Politics 41

2 The Environment of Business

45

Introduction 46

Evaluating the Business Environment 47

Major Goals of Economic Management 47
Policy Tools to Manage the Economy 48

The Global Nature of Business 51

Why Do Countries Trade or Invest Overseas? 51

Global Business: India: A Star Global Outsourcing Center 52

Theory of Absolute and Comparative Advantage in Trade 53
Barriers to International Trade and Investments 55
The Foreign Exchange Market and the Exchange Rate 59

The Rise of Globalization 60

The World Trade Organization 60
Regional Trading Blocs 61

Going International 70

Export-Import Business 70
Licensing and Franchising 71
International Joint Ventures and Strategic Alliances 72

Case in Point: Shell: From Selling Antiques to Pioneering Groundbreaking Innovation in Energy and Petrochemicals 73

Multinational Enterprises 74

Careers in International Business 77

Summary 79 ■ Chapter Questions 82 ■ Interpreting Business News 82 ■
Web Assignments 82 ■ Portfolio Projects 83 ■ Test Prepper 84

3 Business Governance, Ethics, and Social Responsibility

87

Introduction 88

Technology and Business: The Killing of Jamal Khashoggi in Turkey 89

Business Governance Structures 89

Sole Proprietorships 89
Partnerships 90
Corporations 90

Shareholder Model of Business Governance 94

Separation of Ownership and Control and Potential Conflicts of Interest 94
Addressing Separation of Ownership and Control-Related Conflicts of Interest 97

Stakeholder Model of Business Governance 101

Businesses and Local Communities 102

Case in Point: Apple and Its Chinese Suppliers 103

Creditors 103

Suppliers 103

Distributors 104

Customers 104

Employees 104

Shareholders 105

Societal Responsibility Model of Business Governance 105

Business Ethics 105

Defining Business Ethics 105

Business Codes of Ethics 106

Dealing with Business Ethical Breaches 107

Penalties for Business Ethical Breaches 107

Business Ethics Training 107

Business Ethics on Campus 107

Careers in Business Governance, Ethics, and Social Responsibility 107

Summary 108 ■ *Chapter Questions 110* ■ *Interpreting Business News 110* ■

Web Assignments 111 ■ *Portfolio Projects 111* ■ *Test Prepper 112*

4

Small Business and Entrepreneurship

113

Introduction 114

What Is a Small Business? 114

What Is the Role of Small Business Firms? 115

Creative Destruction 115

Invention and Innovation 116

Job Opportunities 118

Case in Point: Global Small Business and the Internet 119

Globalization 119

Government Support of Small Business 120

Who Is an Entrepreneur? 121

Personal Qualities 121

Education and Training 121

Women in Small Business 122

Ethnic and Immigrant Small Business 124

Developing a Business Plan 124

Essential Components 124

Business Ideas 126

Seed Money 127

Initial Production and Sales 127

Creating Value 127

Forms of Small Business Organizations 128

Sole Proprietorships and Partnerships 128

Corporations and Franchises 129

Case in Point: Franchising: A Way for Small Business and Large Business to Work Together 130

Small Business Management Decisions 131

Hiring Employees 131

Ethics in Entrepreneurship 132

Running a Family Business 133

Going Public Versus Staying Private 134

Controlling Business Risks 135

Careers in Small Business 137

Summary 138 ■ Chapter Questions 139 ■ Interpreting Business News 140 ■

Web Assignments 140 ■ Portfolio Projects 140 ■ Test Prepper 141

PART 2 MANAGING BUSINESS BEHAVIOR

143

5 Managing and Organizing Business

145

Introduction 146

Understanding Management 146

The Management Process 147

Planning 147

Strategic Planning Review: “Procter & Gamble Streamlines” 149

Organizing 151

Global Business: Wells Fargo’s Fake Accounts 152

Directing 160

Controlling 161

Kinds of Managers 162

Levels of Management 162

Areas of Management 163

Management Skills 164

Technical Skills 164

Conceptual Skills 164

Careers in Management 164

Case in Point: Managerial Skills and Royal Dutch Shell PLC 165

Summary 165 ■ Chapter Questions 167 ■ Interpreting Business News 168 ■

Web Assignments 168 ■ Portfolio Projects 168 ■ Test Prepper 169

Introduction 172

- What Do Human Resources Managers Do? 173
- Technology and Human Resources Management 173

Human Resources Planning 173

- Job Analysis 173
- Forecasting Human Resources Demand 174
- Forecasting Human Resources Supply 174
- Matching Supply with Demand 175

Organizational Staffing 175

- Recruiting 175
- Selection 176
- Orientation 177

Compensation and Benefits 177

- Wages and Salaries 177
- Benefits 179

Developing an Effective Workforce 180

- Needs Analyses 181
- Methods for Developing an Effective Workforce 181
- Feedback and Performance Appraisal and Evaluation 181

Labor-Management Relations 183

- Historical Overview 183
- Collective Bargaining 185
- The Decline of Unions 186
- International Labor Relations 187

Legal Environment of Human Resources Management 188

- Employment at Will Revisited 188
- Federal Legislation After 1960 188
- State Regulation 191

- Workforce Diversity After 9/11 193

Careers in Human Resources Management 194

- Summary 194* ■ *Chapter Questions 196* ■ *Interpreting Business News 197*
- Web Assignments 197* ■ *Portfolio Projects 197* ■ *Test Prepper 199*

Introduction 202**What Is Motivation? 203****Traditional Motivational Theories 204**

Classical Theory: Taylor's Scientific Management Theory 204

Behavior Theory: The Hawthorne Studies 205

Maslow's Hierarchy of Needs 207

Herzberg's Motivation-Hygiene Theory 209

McGregor's Theories X and Y 211

Ouchi's Theory Z 212

Contemporary Motivation Theories 212

Expectancy Theory 212

Equity Theory 213

Reinforcement Theory 214

Enhancing Employee Performance and Job Satisfaction 215

Management by Objective 215

Use of Teams by Firms 216

Participative Management and Employee Empowerment 217

Job Enrichment and Redesign 218

Work-Life Programs 219

Flextime Programs 220

Part-Time Work 221

Work-Share Programs 221

Self-Managing Teams 222

Telecommuting and Alternative Work Styles 222

What Is Leadership? 223**Major Leadership Theories 223**

Servant Leadership 223

Ethics in Business: The Wolfe of Silicon Valley 224

Transactional and Transformational Leadership 225

Charismatic Leadership 225

Contingency Theories of Leadership 225

Chaos Theory 226

The Practice of Leadership 226

Autocratic Style 227

Democratic Style 229

Free-Rein Style 229

The Contingency Approach to Leadership 230

Case in Point: Samsung: Preparing Tomorrow's Leaders? 231**Careers in Motivation and Leadership 232***Summary 232 ■ Chapter Questions 236 ■ Interpreting Business News 236 ■**Web Assignments 237 ■ Portfolio Projects 237 ■ Test Prepper 238*

8 Marketing Basics

243

Introduction 244

The Definition of Marketing 244

Markets 246

Consumer Market 246

Business-to-Business Market 250

Government Market 251

International Markets 251

The Marketing Environment 252

Competition 252

Technology 253

The Economy 253

The Legal and Political Environment 254

Case in Point: McDonald's Happy Meals Subjected to Ethical and Legal Scrutiny 255

Culture 255

Obtaining Information about Markets and the Environment 256

Marketing Information Systems 256

Marketing Research 257

Databases 258

Objectives 259

Strategies 261

Technology and Business: Michelin Uses High Tech in Its Quest to Become the Leading Tire Manufacturer 262

Case in Point: Franchising as a Marketing Strategy 263

Managing Customers 264

Analyzing Customers 264

Case in Point: Italian Villages Develop Strategies of Revitalization 265

Customer Satisfaction 265

Customer Service 266

Careers in Marketing 266

Summary 267 ■ Chapter Questions 268 ■ Interpreting Business News 269 ■

Web Assignments 269 ■ Portfolio Projects 270 ■ Test Prepper 271

9 Developing the Product and Pricing Mixes

273

Introduction 274

Guidelines for Developing the Marketing Mix 275

Developing the Product Mix 275

Product Elements 275

Developing New Products 277

Case in Point: Roblox Uses Tweens to Develop New Products 280

Case in Point: Some New Products Are Disruptive 284

Managing Existing Products 286

Developing the Pricing Mix 288

Pricing Objectives 289

Pricing Concepts 290

Setting Prices for New Products 290

Changing Prices for Existing Products 291

Pricing Decisions for Products Sold Internationally 291

Case in Point: McDonald's Pursues a Low-Price Strategy in Russia 292

Case in Point: Samsung Uses Different Pricing Strategies 293

Careers in Brand Management 294

Ethics in Business: Companies Turn to Fees to Improve Their
Financial Performance 295

Summary 295 ■ *Chapter Questions* 296 ■ *Interpreting Business News* 297 ■

Web Assignments 297 ■ *Portfolio Projects* 298 ■ *Test Prepper* 299

10 Developing the Promotion and Distribution Mixes

301

Introduction 302

The Promotion Mix 303

Advertising 304

Sales Promotion 305

Case in Point: Shell Oil Company Introduces a Customer Loyalty Program 309

Personal Selling 310

Publicity 313

Technology and Business: Social Media Are Used to Promote Companies'
Products and Services 314

The Distribution Mix 315

Channels of Distribution 315

Case in Point: Poshmark Develops an Innovative Online Shopping App 321

Logistics 321

Technology and Business: Logistics Relies on Technology to Cut Costs
and Provide Better Levels of Customer Service 325

Careers in Promotion 326

Careers in Distribution 326

Summary 327 ■ *Chapter Questions* 329 ■ *Interpreting Business News* 329 ■

Web Assignments 330 ■ *Portfolio Projects* 330 ■ *Test Prepper* 331

11 Accounting for Decision Making

335

Introduction 336

Accounting Information System 336

Management Accounting 336

Financial Accounting and External Users of Accounting Information 337

Accounting Literature: Generally Accepted Accounting Principles 338

Information Role of the Accounting Information System Within the Management Information System 339

Accounting for International Trade 340

International Information Flow 341

International Accounting Standards Board 341

International Financial Reporting Standards 342

International Auditing and Assurance Standards Board 344

International Standards on Auditing 345

Importance of Ethical Accounting Practices 345

Case in Point: McDonald's Works to Improve Health 348

Can Ethics Be Taught? 348

Role of Professional Organizations 349

Computer Crime 349

Internal Control 350

Role of the Auditor 351

Foreign Corrupt Practices Act 351

Computer Security of Accounting Information 352

Computer Contingency Planning for Accounting Information 353

Careers in Accounting 354

Ethics in Business: How Do You Measure Success? 355

Summary 356 ■ Chapter Questions 357 ■ Interpreting Business News 357 ■

Web Assignments 358 ■ Portfolio Projects 358 ■ Test Prepper 359

12 Financial Reporting

361

Introduction 362

The Purpose of Financial Reporting 362

The Four Financial Statements 362

Income Statement 363

Statement of Retained Earnings 365

Balance Sheet 365

Statement of Cash Flows 367

Relationships Among Financial Statements 368

Auditing the Financial Statements 368

Case in Point: Samsung: Accounting for Costs and Benefits of Technology and Innovation 370

External or Financial Statement Audit 370

Audit Steps 370

Audit Evidence 371

Impact of Computerization 371

Foreign Currency Translation 374

Current Rate Method 375

Temporal Rate Method 375

The Impact of Technology 375

Technology and Business: Timeline of Key Events Affecting Accounting and Information Processing 377

Emerging Technologies 378

Accounting and Auditing Resources on the Web 378

Careers in Accounting 383

Summary 384 ■ Chapter Questions 385 ■ Interpreting Business News 385 ■

Web Assignments 385 ■ Portfolio Projects 386 ■ Test Prepper 387

PART 5 FINANCE

389

13 Financial Management of the Firm and Investment Management

391

Introduction 392

Key Financial Concepts 393

Owners Versus Managers 393

Accounting Profits Versus Economic Profits 394

Role of the Financial Manager 394

Time Value of Money and Interest Rates 395

Technology and Business: The Time Value of Money: How Money Grows 397

Firm Financial Decision Making 398

Net Present Value and Capital Budgeting Decisions 398

Sources of Funds and Financing Decisions 400

Technology and Business: Capital Budgeting Decisions for Multiple-Year Investments 401

Managing Cash Within the Firm 405

Matching Assets and Liabilities 406

The Role of Investment Managers 406

Ethics in Business: Trust in Investment Services 407

Balancing Returns and Risks 408

Measuring Returns 409

Case in Point: Market Risk and the Stock Performance of McDonald's, Samsung, and Shell Oil 411

- Counting the Risks 411
- Managing Investment Risks 413
- Making Investment Choices 415

Careers in Financial and Investment Management 416

- Summary* 417 ■ *Chapter Questions* 418 ■ *Interpreting Business News* 419 ■
- Web Assignments* 420 ■ *Portfolio Projects* 420 ■ *Test Prepper* 421

14 Understanding the Financial System, Money, and Banking 423

Introduction 424

The Financial System 425

- Components of the Financial System 425

Case in Point: Are the Golden Arches Turning Red? 427

- Structure of Financial Systems 429
- Financial Systems and the Economy 431

Money and Banking 432

- What Is Money? 433

Global Business: Online Banking 436

- Central Banks and Monetary Policy 437
- Monetary Policy Framework 441

Financial Institutions 446

- Depository Institutions 448

Technology and Business: Online Banking 450

- Nondepository Institutions 450
- Managing a Financial Institution 455

Careers in the Financial System 456

- Summary* 456 ■ *Chapter Questions* 458 ■ *Interpreting Business News* 459 ■
- Web Assignments* 459 ■ *Portfolio Projects* 459 ■ *Test Prepper* 460

15 Personal Financial Planning 461

Introduction 462

The Purpose of Personal Financial Planning 462

Key Concepts 462

- Computing Net Worth 462
- Setting Financial Goals 464
- Evaluating Spending Patterns 465
- Identifying Your Stage in Life 467
- Turning to Experts 467

Managing Income 468

- Budgeting 469
- Managing Your Checkbook 470
- Using Financial Planning Software 473
- Locating Information on the Web 474
- Acquiring Appropriate Insurance 475

Living on One Income 477

Investing 479

- Managing Investments 479

Global Business: Buying Stock in Multinational Companies Is a Way to Diversify Your Investment Portfolio 481

- Fixed-Income Investments 481
- Equity Investments 482

Case in Point: Financial Information Available to Investors on the Web Regarding Royal Dutch Shell Corporation 483

- Your Home 484

Retirement and Estate Planning 486

- Social Security 486
- IRAs and 401(k) Plans 486
- A Will 487

Tax Planning 487

Ethics of Financial Planning 487

- Giving 488
- Repaying Debts 488
- Paying Taxes 488
- Providing for Your Family 488
- Planning for Future Needs 488
- Keep Money in Perspective 489

Careers in Personal Financial Planning 489

- Summary* 490 ■ *Chapter Questions* 491 ■ *Interpreting Business News* 492 ■ *Web Assignments* 492 ■ *Portfolio Projects* 492 ■ *Test Prepper* 493

PART 6 MANAGING BUSINESS OPERATIONS, MANAGEMENT INFORMATION SYSTEMS, AND THE DIGITAL ENTERPRISE 495

16 Managing Business Operations 497

Introduction 498

What Is Operations Management? 498

- Goods and Services 499
- Operations Management and Competitiveness 500
- Historical Development of Operations Management 501

What Do Operations Managers Do? 503

Design Decisions 503

- Product 503
- Process 505
- Capacity 506
- Location 508
- Layout 509

Planning Decisions 511

Technology and Business: McDonald's Unveils Flagship Redesign in Chicago 511

- Production Rate 512
- Material Requirements 512
- Purchasing 514
- Inventory 516

Case in Point: Toyota and the Largest Recall in History 517

Control Decisions 518

- Scheduling 518
- Quality 520

Careers in Operations Management 522

- Summary* 523 ■ *Chapter Questions* 525 ■ *Interpreting Business News* 525 ■
- Web Assignments* 526 ■ *Portfolio Projects* 526 ■ *Test Prepper* 527

17 Management Information Systems

529

Introduction 530

What Are Management Information Systems? 530

- Computer Hardware 531
- Computer Software 532
- Databases 534
- Telecommunications Networks 535

Classification of Information Systems 537

- Information Systems for Operations Managers 537
- Information Systems for Middle Managers 537
- Information Systems for Senior Managers 538
- Marketing Information Systems 539
- Production Information Systems 539
- Accounting Information Systems 539
- Financial Information Systems 539
- Human Resources Information Systems 540

Developing Information Systems 540

Global Information Systems 541

Case in Point: Information Systems Development at McDonald's 542

Information Systems Controls 542

Careers in Information Systems 543

Ethics in Business: Computer Monitoring 544

Summary 544 ■ Chapter Questions 546 ■ Interpreting Business News 546 ■

Web Assignments 547 ■ Portfolio Projects 547 ■ Test Prepper 548

18 The Digital Enterprise

551

Introduction 552

Information Technology Infrastructure for the Digital Enterprise 552

Enterprise Resource Planning Systems 554

Benefits and Costs of ERP Systems 556

ERP Software Vendors 557

Implementing ERP Systems 558

Supply Chain Management 559

Economic Impact of Supply Chain Management 560

Supply Chain Management Strategies 560

E-Business 562

Case in Point: E-Business and the End of the Waiting Line 563

Electronic Payment Systems 563

Global Business: McDonald's and Its Global Supply Chain 564

Opportunities and Challenges 564

Ethics in Business: Information Technology and Privacy 565

Careers in the Digital Enterprise 566

Information Technology Infrastructure for the Digital Enterprise 566

ERP Systems 566

Supply Chain Management 566

E-Business 567

Summary 567 ■ Chapter Questions 569 ■ Interpreting Business News 569 ■

Web Assignments 569 ■ Portfolio Projects 570 ■ Test Prepper 571
